Russ,

To get our comments up to Travis/OW by next Tuesday, (so that he can pass them to ORD by Wednesday), I suggest that we have our comments to Denise by Monday COB. Would that work for you both? I'll collect comments for WD and consolidate them.

Sure. It would work best if OWOW develops one set of proposed edits that passes through Wetlands to Denise and then up to me. I can then work with Nancy and Ken on edits. This will be better than getting a dozen documents with edits.

Travis - please could you keep me in the loop. I'm the staff lead for this project in OW. In fact, I would like to look at the suggested edits with you please.

Thanks,  
Rachel

If you want to send comments and edits to me, I can consolidate for OW. Please use track changes if possible. Real preliminary target would be getting our edits to ORD by next Wednesday (so we could discuss this FRN at our meeting). Thanks.
